### **REACH - Declaration**

Dear Sir, Madam,

duagon AG is a manufacturer of TCMS (Train Control & Monitoring System) products. The products we supply to you are solely non-chemical products (goods) and will not release any substance. So that, the duagon AG is neither obligatory for registration nor for the creation of material safety data sheet (MSDS).

Furthermore, we are in close contact with our suppliers and based on the information from our suppliers the used materials and components in our products are not substances of very high concern (SVHC) or are present below the 0.1% weight by weight (w/w) concentration limit.

Additionally, duagon AG is intensively pursuing the implementation of REACH together with our suppliers as part of our continuous improvement activities and we will immediately inform you in correspondence with REACH, if an article is above the concentration limit of 0.1% weight by weight (w/w) of any substances that is added to the SVHC candidate list in the future.

Sincerely

duagon AG
